Year 2000 update: NationsBank is ready for year 2000. To find out more, visit our Web site at [www.nationsbank.com](http://www.nationsbank.com) or call toll-free 1-888-960-1111, 7am to 10pm, 7 days a week.

Each day we process withdrawals from your account according to the priorities we have established: For example, we currently process ATM withdrawals, automatic payments and check card purchases before the checks you have written. Within each priority we process withdrawals from highest to lowest dollar amount.

If there are insufficient funds to cover all of the items processed on a given day, this procedure may enable us to process more important items, such as a rent or mortgage payment. In some cases, it may result in additional overdraft fees for smaller items.
